Arts Midwest World Fest

This project was made possible with support from the Howard B. and Ruth F. Brin Jewish Arts Endowment, a fund of the Minneapolis Jewish Federation’s Community Foundation. This activity is made possible by the voters of Minnesota through a grant from the Minnesota State Arts Board, thanks to a legislative appropriation from the arts and cultural heritage fund. Arts Midwest is also generously supported by Illinois Arts Council Agency, Indiana Arts Commission, Iowa Arts Council, Michigan Council for Arts and Cultural Affairs, Minnesota State Arts Board, North Dakota Council on the Arts, Ohio Arts Council, South Dakota Arts Council, and Wisconsin Arts Board.
